#### **The school has to advise parents of our late pick up policy:**

If a parent is running late, please contact the school as soon as possible to advise the staff. If no contact is made by a late parent, the following procedure will apply:

- Contact will be attempted by telephone/mobile telephone to speak to the parent/carer concerned.
- If no contact is made, the emergency contacts on the child information sheet will be used to ensure that the child is collected by an authorised person.
- The child will remain in the care of school staff who will attempt to make contact with the parent/carer every ten minutes for a period of one hour after the end of the school day. If after that time the school is unable to make contact, ultimately we will contact the police and/or the Social Services to collect the child.
- The child will be kept at the school until collected by an authorised person.
